

THE FIFTH ANNUAL
**SCIENCE IS
 AMAZING
 FESTIVAL**
 AT THE LANCASTER SCIENCE FACTORY

Sponsorship Opportunity

The Lancaster Science Factory’s “Science is Amazing Festival,” to be held on **March 25th, 2017**, is our largest annual event. Last year we welcomed **1,765** visitors in a single day! In order to offer **FREE** admission to all attendees, we welcome sponsors to help fund the event. Sponsoring Science is Amazing is a great way to promote your business, interact directly with attendees, support STEM education, and be part of the most exciting day of the year at the Fac!
