

FIELD TRIPS AT THE

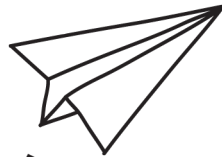

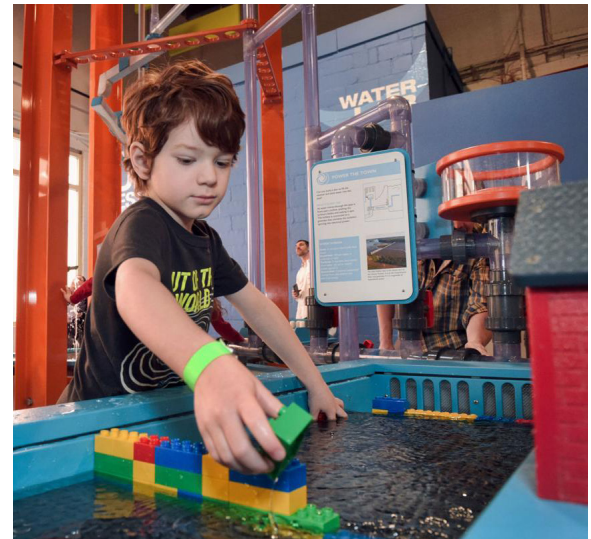

LANCASTER SCIENCE FACTORY

The newly expanded Lancaster Science Factory features over 75 hands-on exhibits covering the topics of physical science, technology, engineering, and mathematics (STEM). Each exhibit is aligned to Pennsylvania academic standards so you can be sure your trip will be both fun and educational!

Resources for Educators

- FREE activity guides are available to help focus learning in STEM disciplines.
- Exhibits organized into seven STEM trails with improved signs and graphics.
- Engaging test zones and themed areas to encourage students to design, build, test, and change their own creations.

Facilitated Educational Programs

Enrich your visit to the Lancaster Science Factory by adding a facilitated educational program in our STEM Classroom, Science Cafe, or brand new Maker Space.

We offer a wide variety of programs that are designed to meet current educational standards, be completely hands-on, and can be tiered to fit any grade-level.

Read on for group admission rates and details!

Exhibit Topics

Acoustics and Sound

Fluid Dynamics

Light and Vision

Mechanics and Motion

GROUP ADMISSION

The Lancaster Science Factory is a great option for an affordable field trip!

10 or more students: \$10.00

Teachers: Always FREE

One adult chaperone for every four students in grades 3 or below and one adult chaperone for every five students in grades 4 and above are also admitted for FREE!

OTHER AMENITIES

On-site lunch may be available. Groups must request this on their reservation. Subject to space availability.

Hours of Operation

Monday - Saturday: 10am - 5pm

Sunday: Noon - 5pm

*Closed Mondays from Labor Day to Memorial Day.
Open all holidays except Easter, Thanksgiving,
Christmas, and New Years Day.*

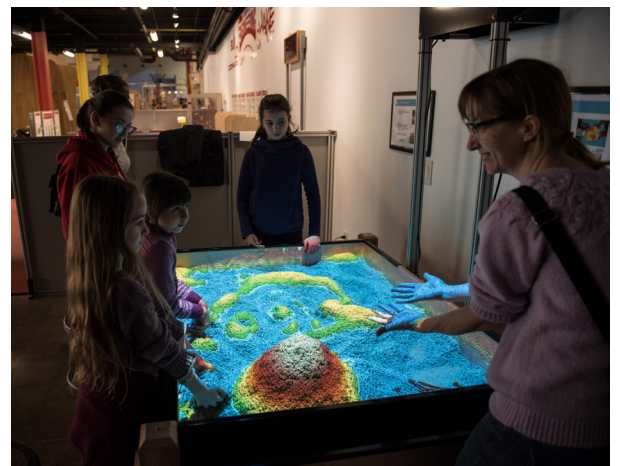

New for 2019!

The Maker Space at the Lancaster Science Factory is now open! Your group can enjoy tinkering with circuits, designing marble runs, and more while they explore the exhibit hall.

New hands-on program options include Engineering Design and Robotics!

FREE PARKING

Unloading and loading is easy in our bus zones. Free parking is available across the street and bus drivers are always admitted at no charge!
