

MAKER IN RESIDENCE @ THE LANCASTER SCIENCE FACTORY

Find a New Audience

Looking for an opportunity to share your passion and skill with a broad audience of K-8 students and their families? The Lancaster Science Factory is seeking enthusiastic makers, craftspeople, and artists to join our Maker-in-Residence Program!

The Youth Maker Space at the Lancaster Science Factory

Set up shop in our brand-new Maker Space for an afternoon, a weekend, or a whole week. Scheduling is open and flexible. Share your work with visitors, answer their questions, and ignite their creativity!

About the Lancaster Science Factory

The Lancaster Science Factory is a nonprofit science center for kids from Kindergarten through 8th grade and their families. It opened in 2008. In addition to over 75 hands-on exhibits, the Science Factory specializes in informal STEM educational programs including camps, workshops, and classes.

For more information about the Maker-in-Residence Program, please contact Chris Blackmon at 717-509-6363 x108 or cblackmon@tlsf.org.
